Without Exaggeration***

February 2010, Fort Lauderdale, FL—Write Stuff Enterprises proudly announces the release of *Don't Try This at Home: A Collection of True Stories Told Without Exaggeration*, by Jeffrey L. Rodengen.

Kevin Malone, adventurer and hunter, provides an entertaining glimpse into a world that is quite foreign to our modern-day life. He travels three continents, meeting indigenous people, camping on the banks of rivers filled with crocodiles and hippos, and stalking and hunting the world's most exotic and dangerous game.

His first trip to Alaska during the 1980s prompted him to purchase a plot of land and build a cabin there to ensure he would return as often as he could. Since that fateful trip, Malone has been licensed as a professional hunting guide in Alaska and taken numerous hunters on successful hunts for Alaska's big game, including the giant bears of the Alaska Peninsula.

Malone takes us from the frozen Peninsula in Alaska to the dry heat of the African savannah. He details life-changing encounters with wildlife from the heart-stopping charge of lions and elephants to horrific attacks from buffalo.

His respect and concern for the wild places he visits is recounted with a painstaking effort to relocate jaguars in a humane manner in Venezuela and a trek into Gabon to create a National Park.

Through the descriptive prose of Malone's exploits and breathtaking photography to showcase the natural landscape and wildlife, *Don't Try This at Home: A Collection of True Stories Told Without Exaggeration*, permits us to view a dangerous and amazing world from the safety of our armchairs.

Don't Try This at Home: A Collection of True Stories Told Without Exaggeration is now available at fine booksellers nationwide for \$49.95 or directly from the publisher, Write Stuff Enterprises, at 1-800-900-Book (2665) toll free or (954) 462-6657.
